Priority Commit Services

Priority Commit enhances Lenovo's standard Next Business Day Onsite service with Parts Prioritization when a service call was received and logged. Included also is Technician Installation of Customer Replaceable Unit Parts (CRUs). This means that all internal components which replacement would normally be customer's responsibility become qualified as Field Replaceable Units (FRUs) with an authorized Lenovo repair technician, dispatched onsite to install replacements parts. The service is available for Think-branded notebooks, desktops and workstations.

Dedicated Technical Hotline (9:30am-6:00pm Mon-Fri)

- Direct Access to Senior Technician
- Next Business Day Onsite Response¹
- Parts Prioritization for onsite repair
- Non-scripted High Level Support & Troubleshooting
- Able to accustom offering to meet customer SLA requirements

Keep Your Drive (KYD)

Lenovo's Keep your Drive (KYD) allows Customers to keep their hard drive or system disk in case of any fail.

Under the terms of Lenovo Limited Warranty, when Lenovo replaces a defective part, that part becomes the property of Lenovo. If a hard disk drive fails, and it is still covered under warranty, HDDR allows customer to keep the old hard drive and hold on to business sensitive data despite repairs, replacement or disposals. After it is determined that a hard disk drive has failed and a replacement is needed one will be provided without the need for exchange.

The service helps you comply with data privacy and data retention requirements, thereby helping to mitigate civil liability risks.

Post Warranty Services

Post warranty upgrades can be purchased up to 30 days PRIOR of the products original warranty period ending.

Accidental Damage Protection (ADP)

ThinkPad notebooks come with the legendary quality and performance of Think-branded PCs. They are engineered to military specifications and have the best functionality, reliability and What's covered?

- § Operational or structural failures under normal operating conditions or handling
- § Minor liquid spills
- § Unintentional drops and bumps
- § Damage from electrical surges
- § LCD screen failure

In the event of an accidental damage incident as outlined above the Customer can call Lenovo's warranty and service support hotline in their local country for a depot based repair service.
