

# What's New

Sage BSM version 9.9.2.9

Release Date:  
16<sup>th</sup> March 2020

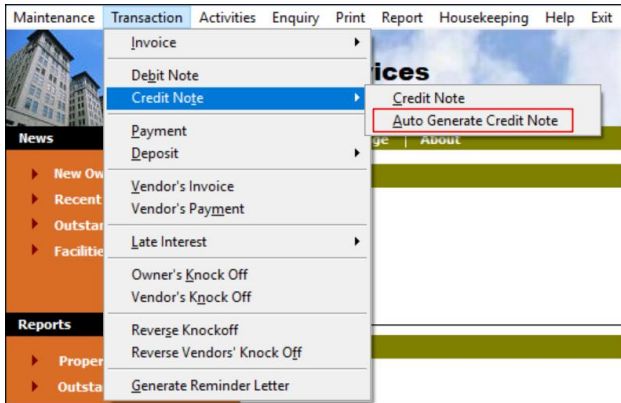

## V9.9.2.9 Updates

The following enhancements are being released:

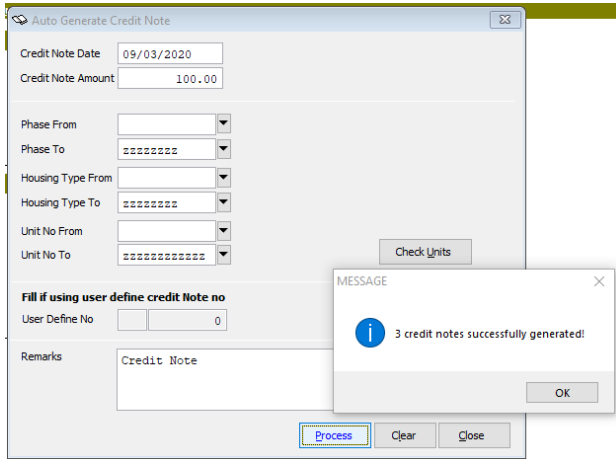

- **Enable Auto Generate Credit Note feature in Malaysia SST and GST Tax System**
- **Enhance Reason Field In Credit Note and Debit Note As Not A Mandatory field**

# Enable Auto Generate Credit Note feature in Malaysia SST and GST Tax System

Now, you can enjoy the Auto Generate Credit Note feature in both Malaysia SST and GST tax system.

Similar to generic / no tax system, you are allowed to create a list of Credit Note based on information entered in the Auto Generate Credit Note window.

## Useful Fixes

No	Case ID	Brief Description
1	SAA1-773	<p><b>Issue:</b> System takes long time to generate Owner Aging report and Owner Aging by Charges report. The result in Aging report shows differently before and after data purging.</p> <p><b>Resolve:</b> Optimized report generation time of Owner Aging report and Owner Aging by Charges report. Fixed the purging error so that Aging report shows the same result before and after purge.</p>
