

What's New

Sage POS version 9.9.2.8

Release Date:
28th April 2021

V9.9.2.8 Updates

Useful Fixes

No.	Case ID	Brief Description
1	SAA1-275	<p>The grand total amount in print preview is different from the system UI, when Bank Negara Rounding setting is enabled</p> <p>Solution: The issue is fixed to ensure both UI and print preview screen are showing same result.</p>
2	SAA1-1921	<p>6% tax was charged although 0% tax code is assigned to Service Charge (Malaysia SST)</p> <p>Solution: The tax rate to be charged for service charge will now base on the tax code selected in Service Charge setting.</p>
